ARCHAEOLOGICAL INSTITUTE LECTURE AT S.G.W.U. DEC. 11

The Montreal chapter of the Archaeological Institute of America will present a public lecture Monday, December 11 at Sir George Williams University.

Professor Daniel Brown of Loyola College will speak on "The Bronze Age in Crete and Greece" at 8:30 p.m. in room 520 of the Hall Building, Maisonneuve Boulevard and Bishop Street.

Dr. Brown's special studies have been devoted to early Greek civilization - how it arose from and its relation to the ancient cultures in Egypt, Mesopotamia and the Levant. His lecture will be illustrated with color slides.

From the office of: Malcolm Stone,
Information Officer.
